Dear Utah Season Ticket Holder and/or Crimson Club Member

The 2009 football season has been an exciting one for Utah football and postseason play is just around the corner. Enclosed is all the information you need to know about ordering bowl tickets. **The deadline for ticket requests is December 9th.**

We are placing no limits on orders at this time. Please read this brochure carefully to learn about ticket restrictions. If demand for tickets exceeds the supply allotted to the University, we will make every effort to accommodate as many fans as possible. Please note, ticket orders and seat locations are assigned based on annual giving level to the Crimson Club not on a first come, first served basis.

You can order tickets in one of two ways. Your first option is to notify us how many tickets you would like for each bowl game before the formal announcement is made on December 6th. The ticket office will take care of the rest and you do not need to contact us again. On December 9th, we will charge your credit card for the tickets you will receive for the Utes' bowl game. The advantage of this option is that you won't have to contact the ticket office during the inevitable rush between the bowl selection on December 6th and the bowl order priority deadline of December 9th.

Your second option is to wait until after the formal announcement is made on December 6th and contact the ticket office with your ticket requests. All ticket requests are due December 9th and you will receive an email on December 10th if your order will be subject to limitations.

Due to the heavy volume of the postal service during the holiday season, this year you will have two options on how to receive your tickets. If you prefer to have tickets mailed, we are offering a UPS 2nd day air option for \$15. If you would rather pick up your tickets in person please mark that on the form and you will receive a detailed email on December 11th with instructions.

We will use an email notification system to keep you informed of our ticket situation. Please fill in your preferred email address in the space provided on the order form.

We appreciate your continued support of Utah athletics. Go Utes!

GENERAL INFORMATION TO KNOW

Ticket orders and seat locations are assigned based on annual giving level to the Crimson Club not on a first come, first served basis. By placing your order with the Utah Ticket Office, you indicate that you accept Utah's method for distribution of tickets

Account Number information: Your account number is VITAL in identifying your ticket order. Failure to include this number could delay your order or not give you the seat location you have earned.

Seat Assignments: All ticket locations will be determined based on annual giving level to the Crimson Club. If you wish to sit next to another Ute fan, please include that request along with that customer's account number on your request. Ute fans requesting to sit within a group will be seated according to the lowest level Crimson Club donor within the group.

Address Changes: If your address changes after you have placed your ticket order, you should contact the Utah ticket office immediately at 801-581-UTIX.

Payment of Tickets: Payment may be made by credit or debit card, Visa, Mastercard, American Express or Discover Card. Checks may not be used as a form of payment.

Email Notification: It is very important that you include an accurate email address on your order form. You will receive important notifications regarding your ticket order, such as distribution updates, mailing notifications, etc.
